Corporate Matching Gifts

Have you ever thought about asking your company for a matching gift to your Foundation at NHF? Remember, since your Foundation is under the National Heritage Foundation, it qualifies as a 501(c)(3) nonprofit organization. Corporations will often match gifts made by employees, officers, directors, and in some cases spouses and/or retired employees, officers, or directors. More than 1,000 American companies have adopted corporate matching gift plans to help support nonprofit organizations. Consult your company's personnel or community relations department for guidelines. It's a great way to add some funds to your Foundation at NHF!

* Match U.S. employees only

A - Donor must be an alumna/us

P - Permanent part-time employees are eligible

D - Directors are also eligible

R - Retirees are also eligible
